Honohono Orchids "Beauty & Fragrance"

Guest Speaker: Scot Mitamura

Wow!!! What a "Fantastic" Spring Show.....hopefully you were one of the lucky ones to have purchased a blooming Honohono orchid plant. The long train of flowers and that distinctively sweet fragrance that fills the Spring air. **So what do you do with the plant after the flowers die off?** You're in luck... April's speaker is Scot Mitamura, he will demonstrate how to cut, grow, care and bloom your Honohono orchid in the Spring 2013. Scot has been growing orchids for more than 30 years, he's currently a Horticulturalist at C&C Honolulu Botanical Garden, loves bowling, Speaker, Columnist and business man. His knowledge and passion for orchids is unparalleled.

President's Message: ALOHA EVERYONE! Our Spring show was a great success thanks to all the volunteers. It was great to see lot's of new members working so hard. Every year our Orchid show is a big challenge and we work hard to make it better. We'll be seeing lots of new faces at our meetings because membership committee did a fantastic job signing more than **70 new members and associates.** We grow every year because of the Orchid Show, but this year was exceptional. We were also honored by our very own Mayor Peter Carlisle, who appeared at our grand opening; he presented the "Best Display" trophy to the Hawaii Kai Society (by the way that is the town were he resides). Great job everyone, I am very confident that next year will be even better. We will have an appreciation luncheon on Saturday, April 21, 2012, just to show you how much we appreciate all your hard work. See page 3 for more info.

WOS 32nd Annual Spring Orchid Show

“Go Green with Orchids”

The WOS 32nd Annual Spring Orchid Show was a huge success thanks to the many volunteers (80 +), Show & Committee Chairs, Various Orchid Societies that put up displays, many Vendors, Dept. of Agriculture Inspectors, King Intermediate Administration and Staff, very generous Donors and especially the public for coming out to support our Spring Show. The theme of the show was “Go Green with Orchids” and the display’s really showcased that theme by using recycled supplies to build their displays. Here are some photo’s of the Spring Show.

Thanks to all the WOS members who came out to volunteer your time and energy to **ensure the SUCCESS of our 32nd Annual Spring Orchid Show**. With team work and patience, we were able to ensure that everyone (from Public, Vendors, King School Staff and our Ohana) enjoyed the beautiful displays, plants, Country Store and workshops. We didn't hit our goal of getting 100% member participation, but we had a record number of volunteers this year (80+). We did add a few things: like 2 special workshops for HGEA members and a Dept. of Agriculture Inspection information table. We signed up 70+ new members and future orchidists, we look forward to providing them with the education to become successful orchid growers. We look forward to our 2013 Spring Show.
A Big Mahalo,
Larry Kamiya & Susan Lim (WOS Show Co-Chairs)

We would like to say a huge thank you to all those volunteers who unselfishly gave of their time and talents to make the Windward Orchid Society 2012 Spring Show Country Store a **GIGANTIC** success. Without your support and generosity we wouldn't be able to pull it off. Thank you for the outpour of donations and contributions they were much appreciated.

Once again, our heartfelt gratitude for your support, donations and contribution in making this year WOS Country Store such a TERRIFIC, AMAZING, FANTASTIC, WONDERFUL, Success!!!!!!

Aloha Pumehana, Toni and Liz (WOS Country Store Co-Chairs)
