## “ O.R.C.H.I.D.S. ”

### Guest Speaker: Sheron Harwood

What kind of title is that?? Sounds like Sheron will be talking about orchids from outer space. All we were told was that she will be talking about orchid growing basics??!! Sheron is our newly elected treasurer and the Vice President and underwriting manager at Jerry Hay, Inc. She has served on the WOS board for many years and if you've been coming to our functions, she's the one who has been entertaining us with her wit and sense of humor. She is a long-time orchid grower with years of experience and specializes in any kind of orchids that she doesn't kill - but she does like warm growing orchids like Miltonia, Oncidium and Dendrobiums. One of her many accomplishments was being awarded Orchidist of the Decade - an award that she truly deserves.

This month's **Orchid Workshop** is scheduled for Saturday, August 8, 2009 at Dorothy Sakamoto's house. The workshop will begin at 9:30 am at 45-663 Luluku Road, Kaneohe. This month's topic will be on dendrobium culture and will feature a surprise guest speaker. For more information or directions to her house, please call Dorothy at 236-4104.

## **WOS Hilo Orchid Safari**

On April 23rd, twelve WOS members boarded a Hawaiian Airlines flight and left on an Orchid Safari to Hilo and it was a wonderful but wet and tiring trip. The group arrived early in the morning and had breakfast at Ken's Pancake House then went on to visit five nurseries - Hilo Orchid Farm, Hawaiian Paradise Orchids, Newman's Orchids, Gines Nursery and Asia Pacific Flowers. After the group came back to the Hilo Seaside Hotel and rested for another long day of orchid shopping!! The next day was spent at Quintal Farms, Lehua Orchids, Kalapana Orchids and Yamamoto Dendrobiums, then had a laughter filled dinner at Miyo's Restaurant. Although it rained for two days and at times it poured, everyone was able to look at and purchase many orchid plants. The group spent Saturday morning shopping for vegetables, fruits, plants and orchids at the Farmer's Market in downtown Hilo. James and Wei Fang from Hilo Orchid Farm generously offered to help us pack all our orchid plants and goodies to take home. The group, including the Fang's, then went to lunch at the 'Imiloa Sky Garden Restaurant at the 'Imiloa Astronomy Center of Hawaii which is located above the University of Hawaii, Hilo campus. After the delicious lunch, the group boarded the plane for home and everyone spoke about doing this again since it was so much fun and there were so many plants to purchase. Members who went on trip were: Dorothy Sakamoto, Betty Oshima, Kathy and Itsuo Tonokawa, Ed Catrett, Larry Kamiya, Lee Deir, Lynn Chang, Wilbur Chang, Adam Kono, Rae and Lorenzo Ordinado.

Larry, James Fang (Hilo Orchid Farm), Wilbur and Lorenzo

If any member would like to donate blooming orchid plants for the Silent Auction, please contact Carla Rogers at 235-7387. The proceeds from the silent auction will benefit the Windward Community College programs and student scholarships. Admission to the Ho'olaule'a is free and they are inviting everyone to come out and enjoy the entertainment, shopping and silent auction. If you would like to donate blooming orchid plants, she asks that you contact her to let her know how many plants you will be donating and if you are going to deliver the plants to WCC or if you would like someone to pick them up. She also asks that you include a estimated value of the plant, a brief write up about the plant and any growing tips so that the person who purchases the plant will know how to care for it.
