WOS Flavor of the Month... "Vanilla Orchids" *Guest Speaker: Doug Demoss*

By popular demand, Doug will once again, entice us with his Vanilla Orchids (pollinating, it's uses and tips on growing this exotic orchid plant) and he will add a little general orchid culture. Doug is the owner of Douglas Demoss Nursery and a certified arborist and horticultural consultant. He specializes in Cattleyas, Angrecums, and paphiopedilums and has hybridized many plants such as C. Russell Demoss, Paph. Catherine Brios, Paph. St. Swithin, Paph. Susan Booth and the popular Mltm. Pupukea Sunset. In addition to his love of orchids, Doug also enjoys fiber-glassing surfboards and surfing!
So if you ever wondered why those vanilla beans cost so much, this is a meeting you won't want to miss!!

Message from WOS President Dot Sakamoto

Aloha Gang ! The July meeting was my first meeting as your new President. We experienced a temporary lock out but, finally got a hold of one of the custodians who came and open up for us. Because of that we had a hold up at membership and I apologize for the inconvenience. Your patience was greatly appreciated.
You will see some changes at our meetings. One of them are we ask that you sign in when you enter. The purpose is for documentation and record keeping. It will also help the membership committee to track active members. More changes will come. Again we ask for your patience, we do this in hopes to better serve you. Our event planner is working on more activities and we will let you know as soon as we get confirmation.
