Honohono Orchids– Planting Tips and Making Them Bloom

Guest Speakers: Mel Waki and Dave Bealer

This month, we are very fortunate to have 2 speaker's that will be speaking on one of the most fragrant and sought after orchids. Many of us have tried to bloom beautiful and long spikes of these fragrant and dainty flowers, but have never been able to quite master the techniques. They will share their knowledge and experiences from planting, to fertilizing and caring of this orchid, so be sure to attend the meeting. Maybe you'll get a your own Honohono seedling to nurture and care for. Both speakers bring a wealth of knowledge with them and have been growing orchids for more than 20 years. The flower's colors are white, lavender, purple and striped.

Orchid Workshop on Saturday, March 12, 2011 Hazel Basuel will be the workshop speaker for March, she will cover growing Honohono my way. A reminder to all members; although the workshop teaches basic culture for the beginners I would still like to encourage our novice and master growers to come and share there experiences growing orchids and how it impacted there lives. Session begins at 9:30 am, at Dot's House, 45-663 Luluku road in Kaneohe. For more information, please call Dot Sakamoto at 236-4104
