WOS Orchid Safari

24 Safarian's ventured out to the Waianae plains and captured a herd of orchids. They marched into Kodama's, Kogachi's, and Ibara's nurseries and everyone scored some great orchids deals. For those who missed it, there's always next year !!! Mahalo's to Karen Kim and Ed Catrett for coordinating the Waianae Safari & especially to Ben Kodama Sr., Ben Kodama Jr., Ken Ibara and Glenn Kogachi for allowing us to visit their nurseries.

WOS Monthly Meetings

Over the past few months, we've noticed that noise level of talking has grown to where it drowns out the speaker's and orchid commentaries. We feel that we need to re-emphasized some House Rules, so that our speakers, commentators and presiding officers are given our full attention and courtesy during the meetings. Each meeting, we have new members that sign up to join WOS and are there to learn about orchids, as are the current members. Since there are no meetings in the next couple of months, we will be informing all WOS members of the existing House Rules enforced during the monthly meetings through the newsletters. We don't want to point any fingers, as we are probably all guilty of this at one time or another. We want to make sure that any future speakers' at a WOS meetings are given the courtesy and respect that is due to them. Thank you!!!
