## *"Methods of Showcasing your Plants True Beauty"* *Speaker - Scot Mitamura*

WOS members, you are in for a treat this month!!! Scot Mitamura is giving everyone a heads up that the Honolulu Orchid Society's Orchid show is just around the corner (Oct 7th—9th). He is going to give us some tips on staking your orchids, show casing your flowers and getting them ready for the HOS Show. Who knows, some of your plants may win an award at the HOS show. A little background about Scot, he started associating with orchids as a teenager and is currently a Horticulturalist at C& C Honolulu Botanical Garden. He's also involved with Hawaii TV Bowling, sought after speaker on Orchid culture, columnist and business man. His one of the most dedicated orchid grower you'll ever meet and yet, down to earth.

### Message from WOS President Dot Sakamoto

Aloha Everyone!!!

We have signed a lot of new members, since our spring show and we continue to grow. We are doing our best to provide interesting and educational programs. Maintaining you as a member is an on going problem. For the WOS to be able to best serve your interests, we need you to tell us (Board of the Directors) what other educational programs you think we should try. At the last Membership meeting, you met the WOS Board members, please take this opportunity to speak with them about things you would like to learn. We assume that so far all the programs we provide have met your needs. The basic's is always the focus of our educational process, advance learning will always be an on going thing. Everyday I learn new things about our Society, and I also learn things about myself. Learning to grow orchids is a new beginning for many of us, the rewards you reap is immeasurable.

Mahalo Dot Sakamoto,  
WOS President
