## President's Message:

Aloha Everyone

As you well know the second Saturday is workshop at my house. January workshop we did something quite different. It was a small group and I really did not have a topic planned. I started the class by just sharing my experiences in growing orchids and how I started. In all of the 18 years I have been a member of the Windward Orchid Society I have gone through many many changes. I shared with the class why these changes occurred. From there we sat in a circle and we started sharing our stories on how we started growing orchids and where were at today. We did not do any hands on re-potting but, still had plants to take home. It was an interesting morning, sharing and getting re-acquainted.

Next month we will have Honohono culture. Hope to see all of you at the next workshop.

Dot Sakamoto  
President

## Orchid Tip of the Month

The recent dry and cool weather are making this a mild winter so far, which is great for our orchids. Phalaenopsis should be spiking, so start staking them up. Don't miss Randy Tajima, our February speaker, for everything you need to know about growing Phals. Remember our annual show is in seven weeks, its not too early to start getting your orchids ready.
