Windward Orchid Society's **NEXT MEMBERSHIP MEETING** is scheduled for **Wednesday, March 4, 2015** at 7:30 p.m. in the King Intermediate School Cafeteria

Aloha Everyone

March is here and our Spring Show is just around the corner. Yes we still need volunteers. Cashiers need volunteers for Friday morning and after noon, Saturday all day and Sunday morning. Country store, Security and Display set-up can also use some help. If you can't make the meeting but would like to volunteer please give me a call 236-4104.

Our Valentines Day event is over and I would like to thank all of the volunteers that came to help. I believe we could have done much better with our plant sales but unfortunately the weather the night before was so bad that it caused some damage on the windward side. I hope all of you escaped with minimal damage. Our purpose for this event was to advertise our up coming show and Windward Mall was gracious enough to invite us to help us advertise. Again! Mahalo to all our volunteers, without your help none of this would have been possible. Looking forward to seeing you at the March 4th meeting.

Come and see Craig Nakahara (fluorescent green WOS shirt) when we have our General Membership Meeting if you have any questions on membership.

SPEAKER FOR March: Larry Kamiya

His topic is Taking the Fear out of Growing Exotics.

Larry grows the most beautiful paphiopedilums, or Lady Slippers. But some of us are afraid to buy them because we think we might kill them. Larry will show us what to do. It seems all of Larry's orchids are grown so well they have many hardy blooms, good roots, etc.

Orchid Tip of the Month by Scott Mitamura:

Here is the tip of the month: After a rainy December, January was extremely calm and dry, with February bringing quite a few days of unsettled weather. I expect March to be fairly wet and I am praying for good weather for our show. Quite a lot of flowers are blooming for this time of the year. It appears that many of the orchids that normally bloom for our show will be blooming early. Many Hono Hono are already initiating buds. It would be a good idea to treat them for thrips, before the young buds dry and turn brown. Phalaenopsis are also blooming. Start staking your flowers early so that they are ready for our Spring Show. It is our most important show of the year for us, and we have to fill a large display area. Hopefully everyone will be able to display an orchid or two.

In addition to having Larry speak at our next meeting, a representative from the Oahu Invasive Species committee, Erin Bishop will talk for a few minutes before Larry, updating us on the Little Fire Ant problem. She will leave testing kits and pamphlets with us.

ORCHIDWIZ SOFTWARE:

We are putting together an order for the OrchidWiz software and to get the best price, we need to order 20 or more copies of the software. The bulk order price is \$153.00 which includes 3 updates. The one copy price is \$295.00. The software runs on Windows and Mac users will need Fusion or Parallels in addition to Windows.

If you are interested in purchasing a copy, please contact Dorothy Sakamoto at 236-4104. For more information on OrchidWiz, go to their website: <http://www.orchidwiz.com/servlet/StoreFront>
